History

Watchfield Kindergarten was established in 1994 and has been running from Watchfield Village Hall since then. In September 2008 the Kindergarten relocated to the Barn at Shrivenham Primary School and extended to provide an Out of School Club.

Premises

The Barn Out of School Club is located in a renovated Barn in the grounds of Shrivenham Primary School. The children will have the freedom to play in our large walled garden and also supervised use of the facilities of the Primary School playground.

The Barn Out of School Club is ideal for working parents or those attending training, we will give your child a healthy breakfast and take them to school. We will collect them after school and take them to the Club where they will have a healthy snack. They will then have a fun packed time enjoying the wide variety of activities provided in the relaxed atmosphere of the Club.

You don't have to be a working parent to send your child to the Club, book your child in for a session and see how much fun they have. Arrange for a friend to join them and leave the worrying about how you are going to entertain them and the mess they will make to us!
