17th January 2012

Dear Parents

We are pleased to announce today that we have won a Lottery Grant from 'Awards for All' for £10,000!

The successful bid was entitled 'The Enchanted Garden - Making Shrivenham Primary School Grounds Special' and is intended to be used over the coming year to benefit all the children at the school. Plans include: further development of the Enchanted Garden as an outdoor classroom with disability access, sensory area and habitat development; a new Foundation Stage canopy for outdoor learning to continue in all weathers; clearing of the bark area and new playground marking, paths and equipment.

Awards for All is part of The Big Lottery Fund which distributes half of the National Lottery good cause funding across the UK. The fund aims to enable others to make real improvements to communities and the lives of people most in need. Awards for All offers grants of between £300 and £10,000 to small, local projects in the UK including voluntary and community groups, schools and health organisations, parish and town councils.

Thanks go to Rachael Hammond (parent governor) who has worked tirelessly to win this funding for the school and ensure we have a stimulating and exciting outdoor area for the children's learning. The school council will be working hard over the coming year to make sure the plans include the children's ideas for this exciting project and we hope the makeover will also coincide with the school's 150th anniversary in 2013.

We will ensure there are regular updates on the progress of the project through the newsletter and on the website.

Yours sincerely

Mrs Sammon
