

### **Booking Schools Meals**

Don't forget to book your school meals in advance. We **will not** be able to provide any meals if they are not prebooked and paid for. There will be lots of reminders next term to help you get into the routine but start setting your phone reminders now

### **NSPCC number day**

Thank you for coming last week. It was great to see so many faces in school. If you have 1 minute, please complete the feedback form: [NSPCC Games Afternoon 06.02.2026](#)  
– [Fill in form](#)

### **RSE consultation**

As per the letter that went out this week, if you wish to make comments about the consultation please add your comments to this form: [RSE Consultation 2026 – Fill in form](#)

### **The Woodland**

Mrs Trafford and the team have renamed after school club The Woodland!

### **Playground markings**

Finally, our playground markings are here! The children have loved playing on them this week and are having great fun coming up with their own games using the markings.

### **Playground equipment**

We have a couple of quotes and we are reaching out for 1 or 2 more as well as applying for some grants but hoping to confirm a plan next term.

### **Reception Numbers**

I have had a few questions about class structures for September.

We do not have our pupil numbers for September; these are confirmed and sent to us in April by Oxfordshire County Council.

Once we have the numbers, we will look at the classes and will be able to update you by the end of Term 5.

### **YOU SAID, WE DID!**

#### **MATHS**

We are beginning the journey to help you support your child at home with maths. At the beginning of term, you will find resources on the website – on the class pages – you may choose to use with your child. Teachers will send the links via Class Dojo.

The maths areas have been picked from Term 3's learning which may benefit from a little more work.

### **YOU SAID, WE DID!**

#### **AFTER SCHOOL ACTIVITIES**

You would have seen on dojo and on parent pay that we have sourced some external sports and performance clubs for the rest of this year. If this is something you are interested in, please do book – they are popular and nearly full already!

We are still looking for a variety of clubs to run and reaching out to more providers.

## Calendar Dates Term 4

<b>Dates</b>	<b>Activity</b>
23.02.2025	Welcome back
24.02.2026	Science Day
