Thursday 12th March

Dear Parents and Carers,

We would like to let you know that from **Monday 16th March**, our Year 2 class will be moving to a new classroom located on the **ground floor**.

This change has been planned to provide the children with improved access to shared learning spaces and to support a smoother transition throughout the school day. The new room will be set up to ensure continuity in learning, comfort, and routine, and the children will be shown the space in advance to help them feel settled.

The children will visit the classroom tomorrow afternoon and have a story time in there before arriving on Monday. Drop-off and collection arrangements will be through the classroom door to the right of the current pick-up door. The children will visit the different drop off and pick up point so they are familiar.

If you have any questions about the move, please feel free to contact the school office or speak to a member of the Year 2 team.

Thank you for your continued support.

Kind regards,

Cora Williams
Head of School

Miss Reece
Year 2 Teacher
