

CODE OF CONDUCT

We welcome and encourage parents and carers to participate fully in the life of our school. Our school already has a code of conduct for all our employees and we ask our wider school community to demonstrate appropriate behaviour in line with our parent code of conduct.

Behaviour that will not be tolerated includes:

Any inappropriate or disruptive behaviour on the school premises.

Using loud or offensive language or displaying a temper.

Threatening in any way, a member of staff, visitor, fellow parent/carers or pupil.

Sending abusive or threatening written communications including defamatory, offensive or derogatory comments regarding the school or anyone within the school community including social media.

Nurturing Growth - Inspiring Minds

Science Day

On **Thursday 27th February** all of the children will be taking part in our annual science day. The theme for British science week is **change and adapt**, it's a great time to think about how the world is changing and how we can adapt to those changes. To help celebrate the world of science, we have got some fun and exciting problems for them to solve. These are some of the activities that will happen on the day; **Which shape of car will travel the fastest distance? Which piece of junk will make the best musical instrument? Which shape of raft will be best to help save the families? Why is it difficult to make the PottePot travel in a straight line? How does chromatography work?**

NSPCC Number Day

We have had an amazing maths enriched day and amazingly through your donations we raised **£380.90** for NSPCC – **THANK YOU!**

Young Voices

On Friday 31st January, 42 of year 5 and 6 travelled to the BP pulse arena, Birmingham to take part in Young Voices 2025. The children and teachers united in an electrifying choir experience. Through this unforgettable concert, our children were able to discover their voices, gain confidence and create long-lasting memories.

A huge thank you to all the staff that took time out of their non-working day to make this happen! **THANK YOU**

World Book Day

6th March

We are asking everyone - including staff - to come dressed as a word. For example, colourful, sporty, dotty.

Healthy Snacks

A reminder that we are encouraging healthy snack choices at breaktimes.

This can include fruit, vegetables, yogurt tubes and healthy cereal bars.

All things are possible for one who believes

Safer Internet Day

Next week we will be celebrating Safer Internet Day (**11th February**). Your children will take part in a range of activities all about keeping safe online. There will be a focus on this year's theme which is **'Too good to be true? Protecting yourself and others from scams online.'**

As a parent or carer, you play a key role in helping your child to stay safe online. You don't need to be an expert on the internet to help keep your child stay safe online!

Have a conversation. It is really important to chat with your children on an ongoing basis about staying safe online. Not sure where to begin? These conversation starter suggestions can help.

- Ask your children to tell you about the sites they like to visit and what they enjoy doing online.
- What games do you and your friends like to play online? Can you show me the websites you visit the most? Shall we play your favourite game online together?
- Ask them about how they stay safe online.
- What tips do they have for you, and where did they learn them? What is OK and not OK to share?
- Ask them if they know where to go for help.
- Where can they go to find the safety advice, privacy settings and how to report or block on the services they use?

If you need any further support on helping your child stay safe online, please look on the website or ask a member of the Shrivenham team.

International Day

We will be celebrating our International Day in school on **Friday 28th February**.

The theme this year is Spanish speaking countries, and each class has been given a country to focus on for the day (Spain, Mexico, Colombia, Argentina, Peru, Cuba and Equatorial Guinea).

During the day, each class will be learning about their country's culture, tasting food and immersing themselves as much as possible! We would like the children to dress up in the colours of their country's flag, they can either pick one colour or wear a mixture of all the colours:

Pre School and Reception – Spain: red and yellow

Year 1 – Mexico: green, red and white

Year 2 – Colombia: yellow, blue and red

Year 3 – Argentina: light blue, white and yellow

Year 4 – Peru: red and white

Year 5 – Cuba: red, white and blue

Year 6 – Equatorial Guinea: blue, green, white and red

We would like to open our classrooms on Friday 28th to all parents.

Please come into school, via the main entrance at 2.30pm – you will need to sign in. You will be able to go to your child's classroom and they will share their work with you that they have completed during our international day.
