

Website update

Not long until our new website will be launched. We are just completing the lengthy job of checking each page.

Swimming

Swimming for Year 5 and 6 will start on 22nd May. We are taking all of Year 5 and some Year 6s that have been identified as non-swimmers. Letters for all will come out soon with details.

Parent Survey

Thank you for taking part in our annual parent survey this year. We have looked at the results at governors and with staff and have some plans and actions to continue to grow and develop which will we share with you as we move into next term.

Easter Service

04.04.2025

Come and join us for our Easter Service at St Andrew's Church at 9.30am.

Lunchtime Play

We are looking for any spare Duplo, building blocks, complete board games or dressing up costumes for our lunchtime play provision. Please email school if you can help.

Thank you to FOSS for buying skipping ropes, hoppers, scoops, rackets etc for our lunchtime play. Look out next term to see photos of this in action!

Staffing update

Miss Killick has been successfully appointed as a Higher Level Teaching Assistant in another school in the trust. We wish her all the best in her new role and in her journey to becoming a teacher. She will be leaving at the end of this term.

We have recruited a Home School Link Worker and another TA to join the team after Easter. We will share details of this before half term.

Miss Partlett and Mr Lovegrove will also be staying with us as they have successfully been recruited as permanent members of staff.

Have you considered becoming a Parent Governor – we need you!

What is the time commitment?

The Governing Body meets once every half term (ie 6 times per academic year on Tuesday evenings) to discuss and review strategic decisions. In addition, some prep work is required including reviewing documents and visiting the school when appropriate. There is also a need for some basic training.

What do Governors do?

Governors sit on the Governing Body, whose purpose is to help our pupils and staff to achieve the very best. We do this by partnering with the senior leadership team and staff to set the strategic direction for the school, focusing on its ongoing development, monitoring performance/progress and ensuring financial integrity.

What skills/knowledge do you need?

You don't need to be an "expert" - Governor Induction courses are available for new governors. We actively seek governors with a diverse range of skills and experiences. What matters most is your commitment to want to make a difference to the school.

What is in it for you?

Being a Governor is a very rewarding experience. What we do makes a tangible difference - you would be helping children at the school to realise their best potential through the actions that you take, as well as developing yourself, your skills and your understanding of how a school operates.

What should you do if you are interested?

Look out for the parent governor election email coming soon! If you would like an informal discussion about the role please contact Mrs Williams (Head of School) or Mrs Scutt (Executive Head) by emailing office@shr.cambridgiant.org

World Book Day

We had an amazing World Book Day on 6th March. Each class decorated their doors inspired by a page from the book we looked at. The work created is now displayed in the hall and in the entrance area in school. Hopefully you will be able to admire it when you come in for celebration assembly.

International Day

During the day, the children were able to experience different foods, dances, painting, research, writing and singing. We were especially pleased to see over 130 parents come and visit us at the end of the day.
